

Christmas time

We waited all through the year
For the day to appear
When we could be together in harmony

You know the time will come
Peace on earth for everyone
And we can live forever
In a world where we are free, Let it shine for you and me

**There's something about Christmas time, something about Christmas time
That makes you wish it was Christmas everyday
To see the joy in the children's eyes, the way that the old folks smile
Says that Christmas will never go away**

We're all as one tonight
Makes no difference if you're black or white
'Cause we can sing together in harmony

I know it's not too late
The world would be a better place
If we can keep the spirit More than one day in the year
Send a message loud and clear

**There's something about Christmas time, something about Christmas time
That makes you wish it was Christmas everyday
To see the joy in the children's eyes, the way that the old folks smile
Says that Christmas will never go away**

It's the time of the year when everyone's together
We'll celebrate here on Christmas day
When the ones you love are there
You can feel the magic in the air
You know it's everywhere

There's something about Christmas time

There's something about Christmas time

**There's something about Christmas time
Something about Christmas time
That makes you wish it was Christmas everyday
To see the joy in the children's eyes
The way that the old folks smile
Says that Christmas will never go away**

Please tell me Christmas will never go away
