

## This Is the Life

Oh the wind whistles down The cold dark street tonight  
And the people they were dancing To the music vibe

And the boys chase the girls, with curls in their hair  
While the shocked too many sit way over there  
And the songs get louder each one better than before

**And you singing the song thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep tonight?  
And you singing the song thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep tonight?  
Where you gonna sleep tonight**

So you're heading down the road in your taxi for 4  
And you're waiting outside jimmy's front door  
But nobody's in and nobody's home till 4  
So you're sitting there with nothing to do  
Talking about Robert Ragger and his 1 leg crew  
And where you gonna go, where you gonna sleep tonight?

**And you singing the song thinking this is the life...**

**And you singing the song thinking this is the life..**
