

Heal the world

There's a place in your heart And I know that it is love And this place could be much Brighter than tomorrow

And if you really try You'll find there's no need to cry In this place you'll feel There's no hurt or sorrow

There are ways to get there If you care enough for the living Make a little space Make a better place

**Heal the world Make it a better place
For you and for me And the entire human race
There are people dying If you care enough for the living
Make a better place For you and for me**

If you want to know why There's a love that cannot lie Love is strong It only cares for joyful giving

If we try, we shall see In this bliss we cannot feel Fear or dread, we stop existing And start living

Then it feels that always Love's enough for us growing So make a better world Make a better world

Heal the world...

*And the dream we were conceived in Will reveal a joyful face
And the world we once believed in Will shine again in grace*

*Then why do we keep strangling life Wound this earth crucify its soul
Though it's plain to see This world is heavenly, be God's glow*

We could fly so high Let our spirits never die In my heart I feel you are all my brothers

Create a world with no fear Together we cry happy tears See the nations Turn their swords into plowshares

We could really get there If you cared enough for the living Make a little space To make a better place

**Heal the world Make it a better place
For you and for me And the entire human race
There are people dying If you care enough for the living
Make a better place For you and for me**

**There are people dying
If you care enough for the living
Make a better place For you and for me**

**(You and for me)Heal the world we live in
(You and for me)Save it for our children
(You and for me)Heal the world we live in
(You and for me)Save it for our children
(You and for me)Heal the world we live in**
