

# **Adele - Skyfall**

**This is the end  
Hold your breath and count to ten  
Feel the earth move again here my heart burst again.  
For this is the end,  
I've drowned and dreamed this moment.  
So overdue, I owe them  
Swept away, I'm stolen**

**Let the skyfall when it crumbles,  
We will stand tall or face it all together  
Let the skyfall when it crumbles,  
We will stand tall or face it all together  
At skyfall (2x)**

**Skyfall is where we start a thousand miles and poles apart  
Where worlds collide and days are dark  
You may have my number, you can take my name  
But you'll never have my heart.**

**Let the skyfall when it crumbles,  
We will stand tall or face it all together  
Let the skyfall when it crumbles,  
We will stand tall or face it all together  
At skyfall**

**Let the skyfall when it crumbles,  
We will stand tall  
Let the skyfall, when we crumbles,  
We will stand tall**

**Where you go I go,  
What you see I see,  
I know I'll never be without the security  
Are your loving arms keeping me from harm  
Put your hand in my hand and we'll stand.**

**Let the skyfall when it crumbles,  
We will stand tall or face it all together  
Let the skyfall when we crumbles,  
We will stand tall or face it all together  
At skyfall**

**Let the sky fall,  
We will stand tall let the skyfall  
Let the skyfall**
