

# Agnes Obel - Riverside

Down by the river, by the boat  
Where everybody goes to be alone  
Where you won't see any rising sun  
Down to the river we will run

When by the water we drink to the dregs  
Look at the stones on the riverbed  
I can tell from your eyes  
You've never been by the riverside

Down by the water the riverbed  
Somebody calls you somebody says  
Swim with the current and float away  
Down by the river every day

Oh my God I see how everything is torn in the river deep  
And I don't know why I go the way  
Down by the riverside

When that old river runs past your eyes  
To wash off the dirt on the riverside  
Go to the water so very near  
The river will be your eyes and ears

I walk to the borders on my own  
Fall in the water just like a stone  
Chilled to the marrow in them bones  
Why do I go here all alone

Oh my God I see how everything is torn in the river deep  
And I don't know why I go the way  
Down by the riverside  
Oh my God I see how everything is torn in the river deep  
And I don't know why I go the way  
Down by the riverside

(ohh ooh why)  
(ohh ooh why)  
(ohh ooh why)  
Down by the riverside  
Down by the riverside
