

I don't wanna dance

I love your personality
But I don't want our love on show
Sometimes I think it's insanity
Boy the way you go

With all of the girls on the corner
Oh baby, you're the latest trick
Oh, you seem to have their number
Look they're dancing still

I don't want to dance
Dance with you baby no more
I'll never do something to hurt you, though
Oh but the feeling is bad The feeling is bad

Baby now the party's over
For us, so I'll be on my way
Now that the things which moved me
Are standing still

I know it's only superstition
Baby, but I won't look back
Even though I feel your music
Baby that is that

I don't want to dance
Dance with you baby no more
I'll never do something to hurt you, though
Oh but the feeling is bad The feeling is bad

I don't want to dance
Dance with you baby no more
I'll never do something to hurt you, though
Oh but the feeling is bad The feeling is bad

TSS

Baby now the party's over
For us, so I'll be on my way
Now that the things which moved me
Are standing still

I know it's only superstition
Baby, but I won't look back
Even though I feel your music
Baby that is that

I don't want to dance, dance with you baby no more
I'll never do something to hurt you, though
Oh but the feeling is bad
The feeling is bad

Don't want to dance Don't want to dance
Don't want to dance Don't want to dance
Don't want to dance Don't want to dance
