

Fell in love with an alian

Out in the fields where farmers grow bread
When called for the meals they took for the shed
Then dark came to fall and silence was all
A beauty shone bright surrounded by light come on now

**I fell in love with an alien, fell in love with her eyes
Fell in love with an alien I'm telling you no disguise
I 'm in love with an alien, I'm in love with her eyes
I'm in love with an alien, I'm telling you no disguise**

She looking out babe for a rome o, she looking out babe for a home bo

**I 'm in love with an alien, fell in love with her eyes
I'm in love with an alien I'm telling you no disguise**

The moon went to bed, the sun growing red
A scarecrow appeared and chased her in fear
She send me her love, her love to me
And then we did grow a big family come on now

**I fell in love with an alien, fell in love with her eyes
Fell in love with an alien I'm telling you no disguise
I 'm in love with an alien, I'm in love with her eyes
I'm in love with an alien I'm telling you no disguise**

She looking out babe for a Rome o, she looking out babe for a home bo
