

I will shout, sing, praise

**I will shout to the God of the heavens, I will sing to the Lord of the skies.**

**I will praise Him with loud hosannas.**

**I will shout, sing, praise to God on high!**

**I will shout to the God of the heavens, I will sing to the Lord of the skies.**

**I will praise Him with loud hosannas.**

**I will shout, sing, praise to God on high**

Lord God Almighty, ruler of the earth.

With hallelujahs we will sing, our praises ring

And tell of all Your worth

**I will shout to the God of the heavens, I will sing to the Lord of the skies.**

**I will praise Him with loud hosannas.**

**I will shout, sing, praise to God on high!**

**I will shout to the God of the heavens, I will sing to the Lord of the skies.**

**I will praise Him with loud hosannas.**

**I will shout, sing, praise to God on high**

God is Creator of the land and the sea

For all His greatness we rejoice and raise our voice

And claim His majesty

**I will shout to the God of the heavens, I will sing to the Lord of the skies.**

**I will praise Him with loud hosannas.**

**I will shout, sing, praise to God on high!**
