

LEAN ON ME

mmmmmmm

Sometimes in our lives we all have pain, we all have sorrow
But if we are wise we know that there's always tomorrow

**Lean on me when you're not strong
I'll be your friend I'll help you carry on
For it won't be long till I'm gonna need Somebody to lean on**

Please swallow your pride If I have things you need to borrow
For no one can fill Those of your needs that you won't let show

**Just call on my brother when you need a hand
We all need somebody to lean on
I just might have a problem that you understand
We all need somebody to lean on**

***Leun op mij als het niet gaat Ik zal er zijn 'k Help je weer op te staan
Want het duurt niet lang voor ik jou bel of ik op jou leunen mag***

**Just call on my brother when you need a hand
We all need somebody to lean on
I just might have a problem that you understand
We all need somebody to lean on**

If there is a load you have to bear That you can't carry
I'm right up the road I'll share your load If you just call me

**Just call on my brother when you need a hand
We all need somebody to lean on
I just might have a problem that you understand
We all need somebody to lean on**
